SUNSEEKER 75 YACHT — "DISCO VOLANTE"

Immaculately presented and extensively upgraded, DISCO VOLANTE is a standout example of Sunseeker's timeless 75 Yacht series — combining elegant design, exceptional performance, and dynamic ability

Professionally crewed since and operated by Chapman since 2020, this 2005 Sunseeker 75 has undergone an extensive series of upgrades, including new teak decking, refreshed exterior and interior trim, new paint and cosmetic works, a complete main engine cooling system and turbo service, new carpet, new electronics, and numerous other refinements. All major service milestones are up to date and complete, ensuring total peace of mind for her next owners.

Set up for extended cruising and comfortable liveaboard use, DISCO VOLANTE offers expansive interior and exterior spaces with accommodation for up to eight guests across four ensuite cabins — including a full-beam master suite with all the amenities expected of a modern luxury yacht.

The main deck features a contemporary open-plan galley, a spacious saloon with leather lounges leading to an inviting aft deck, and seamless indoor-outdoor flow for entertaining. Other highlights include a submersible swim platform, a large flybridge with Bimini and wet bar, multiple lounging and dining areas, a walk-around engine room, and a dedicated crew cabin for two.

Recently antifouled and fully serviced by Chapman Yachting, DISCO VOLANTE is truly turnkey — ready for her next owners to step aboard and cruise immediately. Offering outstanding value and pedigree, this ageless timeless Sunseeker 75 is a rare opportunity that won't last.
