ABOUT EVOLUTION

Now available for full ownership, EVOLUTION represents one of the most exceptional superyachts in her class available for sale in Australia. A 39-metre Oceanfast pedigree build that perfectly balances performance, luxury, and versatility. Designed for both high end expedition cruising, commercial charter operations, or even family orientated private usage she stands as a premier opportunity for discerning buyers seeking a turnkey superyacht with a proven history.

Constructed with aluminium hull and superstructure, EVOLUTION delivers remarkable efficiency, structural integrity and seakeeping.
