2022 RIVIERA 395 SUV "PIPER"

Presenting the exceptional 2022 Riviera 395 SUV "PIPER", a yacht offered in near-new condition with meticulous management by CHAPMAN and all periodic servicing complete.

PIPER is presented in true turn-key condition with only 89 hours on the main engines, providing complete confidence for her next owner. Powered by twin Volvo Penta IPS drives with joystick control, she offers effortless manoeuvrability for short handed cruising, exceptional efficiency, and a smooth, refined cruising experience. Well suited to both relaxed harbour cruising and extended weekend getaways, PIPER delivers impressive volume for her size, with a layout that balances comfort and practicality.

The yacht accommodates up to five guests across two well-proportioned cabins, including a forward master with a queen berth, and a guest cabin configured with three single beds. Below deck presents in immaculate condition, having seen minimal use, with warm, welcoming interiors and the high-quality finishes synonymous with Riviera's reputation.

The main deck is thoughtfully designed as a central living and entertaining space. An open-plan aft galley is fully equipped with a fridge/freezer, induction cooktop, microwave, and sink, making onboard catering simple and functional. The saloon features multiple seating areas and flows seamlessly through to the aft deck, creating a cohesive indoor-outdoor environment with excellent natural light and ventilation throughout.

Aft, the cockpit offers a comfortable dining and entertaining space that extends to the generous swim platform. This area is ideal for entertaining family and guests, complete with an integrated barbecue, wet bar, and easy access to the water for swimming and general enjoyment. Wide side decks and Riviera's practical SUV design further enhance onboard usability and movement around the vessel.

PIPER presents an outstanding opportunity to secure a late-model Riviera with minimal hours, premium Volvo IPS performance, and immediate usability ahead of the upcoming boating season.

Ready for immediate delivery, with full support and management services available through CHAPMAN on any level. We encourage buyers to come forward promptly.
