FOR SALE

2013 PRINCESS 64 "PRINCIPESSA"

Australian delivered, custom metallic silver hull, only two owners since delivery and professionally crewed and managed by CHAPMAN over the past five years, PRINCIPESSA has been meticulously maintained to a high standard and presents in unparalleled condition for a yacht of this age. Under CHAPMAN's care, PRINCIPESSA has undergone an extensive program of upgrades and preventative maintenance, including all-new teak decking, recent main engine cooling system servicing, new propeller shaft bearing and seal replacement, satellite TV & WiFi, antifoul and general out-of-water service in April of this year, and numerous additional refinements throughout. All major service milestones are up to date and complete, providing genuine peace of mind for her next owner under CHAPMAN's central banner.

Well suited to both day cruising and extended liveaboard use, PRINCIPESSA offers impressive interior volume with a layout designed for comfort and practicality. The yacht accommodates up to eight guests across four well-appointed cabins, with three ensuites, a highly sought-after configuration in this size range. Below deck is presented in immaculate condition having rarely been lived on with light, welcoming interiors and quality finishes throughout.

The main deck is designed for easy living and entertaining, featuring a contemporary open-plan galley fully equipped with an upright fridge, freezer, and induction hobs. The saloon offers multiple seating areas with leather lounges, flowing naturally through to the aft deck to create a seamless indoor-outdoor space. The aft cockpit provides a versatile area for dining or relaxing, while the hydraulic swim platform allows for effortless water access, and accommodates a near-new Highfield RIB tender with only five engine hours.

Externally, the flybridge delivers a superb entertaining space with generous seating, a large alfresco dining table, and a full wet bar with barbecue. Whether entertaining guests or enjoying time on the water with family, the exterior spaces offer excellent flexibility and usability. A separate aft crew cabin for two further enhances the practicality of the vessel or is otherwise used as a utility area for vessel stores and water sports equipment. Combining Princess pedigree with extensive upkeep and thoughtful upgrades, PRINCIPESSA is a turnkey opportunity, with no reinvestment required and ready for immediate local or interstate cruising on any level.
